

## BISCO<sup>®</sup> RS-800 Medium

BISCO<sup>®</sup> RS-800 Medium silicone sponge is a new alternative to BISCO<sup>®</sup> HT-800.

BISCO RS-800 Medium silicone sponge retains the lightness of a foam while exhibiting the enhanced sealing capabilities of a traditional sponge rubber.

While BISCO RS-800 Medium is a cellular silicone alternative to BISCO HT-800, there are some differences between the products. Use the comparison table below to determine whether BISCO RS-800 Medium is a suitable alternative for your application.
